Dear Mr. Cohn:

I am in receipt of your letter dated September 12, 2006 and the materials that you sent via electronic mail last Friday for the property identified as "450 Farm to Market Road." Based upon a review of these materials, I believe that the categories of documents identified in your September 12, 2006 letter will satisfy our subpoena.

Also, by this letter, I formally withdraw our FOIA request dated August 29, 2006.

Please do not hesitate to contact me if you have any questions. Otherwise, I look forward to receiving the available materials for the remaining properties on or around September 18, 2006.

Many Thanks,

Samuel L. Blatnick
